I am closing out a Public Records request from a gentleman in Hollywood. He has asked for all documents that we have related to Hollywood nightclubs; we are prepared to hand over all pertinent emails and documents from the year 2015.

We want to be sure that we do not release sensitive or confidential information. For example, I consulted with Homicide and they instructed not to include correspondence regarding the investigation into the death of the DJ at Cashmere in August.

Good Afternoon Lt. Baez,

As we all prepare for the New Year holiday on Hollywood Blvd this year I wanted to send you a brief summary of our added precautions and measures to ensure an incident free weekend and make sure we are all on the same page.

In addition to continuing the stamp and radio program we will be implementing the following on New Year's Eve to make the Hollywood area as safe as possible, we are working toward the same goal.

Here are the measures we have taken to go Incident Free at Jameson's and Cabo Hollywood:

- * We've scheduled and contracted with our licensed, uniformed outside security to have 8 (eight) uniformed security personnel scheduled between Cabo Cantina and Jameson's. Five (5) of these security officers are dedicated to the outside/sidewalk patio areas directly in front of Jameson's and Cabo Cantina in addition to our in-house security/host staff.
- * We've reiterated to our professional security company the importance of keeping the sidewalk clear. They know not to allow undesirables to stand in front of our locations, and to help to clear the blvd/the sidewalk at close.
- * We've reiterated to our outside security as well as our in-house hosts to continue to enforce policy that only diners and people seated at tables are allowed on the patio. This will help alleviate the perception of being overly crowded.
- * We've reiterated to our outside security and our in-house hosts ALL of our door policies and procedures - especially the importance of watching for overly intoxicated guests/not allowing entrance to customers who have been-over served elsewhere.
- * No glass containers (beverages/bottles) will be allowed on the patios of both establishments. All beverages will be served in soft-plastic disposable cups.
- * I will be dedicated as our corporate representative and supervise all operations of Jameson's and Cabo Cantina tonight. I will be overseeing both locations and mitigating all issues. I can be reached at: 323-333-9844.
- * We have scheduled extra management on site at each location for this evening.
- * We've pre-shifted with all of our staff to prevent over-serving and watch for signs of over intoxication.

- * We will close patio early, and move the patio railing in to allow for more room on the sidewalks when we (and our neighbors) close at 2AM.
- * ALL NIGHT: Enforce patio capacity to only the number of stools with each table- two or three patrons per table maximum. Discourage standing room on the patio. Discourage loitering on the outside of our patio rails by passersby. Strictly enforce NO SMOKING in front of our patio from the tree to the light post
- * 1:15 am: Give all guests on the patio a 10 minute warning that the patio tables will be removed and they will need to return inside.
- * 1:25 am: Politely ask all of the remaining guests on the patio to take their drinks and move inside
- * 1:30 am: Push all stools, tables and railings against the exterior of the building.
- * We have scheduled a clean up crew - they will be cleaning up/sweeping up/picking up debris and trash from the patio and side walk areas.

If you have any suggestions of anything you would like to see us do, please feel free to reach out.

Hello All,

I wanted to reach out and thank everyone for implementing the strategies we discussed to help reduce some of the violent crimes and safety concerns in the area. I was in the area this past Saturday night and had a chance to evaluate each of your locations. I noted many of the strategies and processes we discussed at our meeting were in place and overall they seemed to be helpful. I observed positive interaction amongst the Foot Beat Police officers and your security officers. I also noted that security members from each of your locations were communicating with each other on potential problematic patrons. South West Security officers are being proactive and seem to be an asset to the overall security in the area.

I strongly believe we are making strides in the right direction and we are on the road to making this area much safer. Unfortunately I did observe 4 different patrons that were extremely intoxicated exiting a few of your locations. Two of the patrons were throwing up on the sidewalk. I understand that everyone's alcohol tolerance varies and it is very challenging to completely police this, But I know we can all do a better job to help reduce the number of intoxicated patrons being serviced at your establishments. Here are a few recommendations I believe will continue to improve the overall safety in the area:

- * Ensure each location has a radio (Walkie Talkie) system to communicate with each other and all security that are working each location, (including South West Security).
- * Security should remain proactive in keeping the sidewalks clear in front of each of your businesses.
- * Continue to be proactive prohibiting patrons from smoking in front of your businesses.
- * The stamp procedure should be administered by security at the front door and not by bartenders inside the businesses.
- * Each location should utilize a distinctive hand stamp, that differs from the other adjacent locations.

- * We must be more vigilant on service to intoxicated patrons. Your entire staff should be tasked with being vigilant and assisting with this issue. If your staff needs training, please contact me so we can arrange further STAR training.
- * Music level should be kept at level where the patrons inside your businesses can be entertained, and not pedestrians on the street or across the street from your businesses.
- * Each of your locations should not allow dancing, but we all know your patrons are often dancing as a large group. I recommend the minute patrons start dancing your music DJ should immediately change the tempo of the music in order to quickly stop the dancing. That should be followed by an announcement that dancing is not permitted.

Thanks again for your cooperation. I look forward to continuing to work with each one of you and your staff members to make this area much safer.

Lieutenant Baez,

On behalf of the Jamesons/Cabo joint team, I wanted to confirm with you that we began implementing the hand stamp at both our doors tonight as promised.

We will all continue to keep our dialogue open between venues in between Las Palmas and Cherokee, and with our partners the LAPD to help further our joint agenda of maintaining and improving the safety and business conditions of our entertainment district.

Subject: Re: Las Palmas and Hollywood Meeting

Tabatha, Travis, Kelly, Justin, Vinny Brett, Morgan and Michael:

I want to thank you all for taking time out of your busy schedule to make this impromptu meeting tonight. I also want to thank Dan Halden for taking the time to meet with us all. I wanted to recap our meeting this evening and ensure we move forward and implement the strategies we discussed and agreed to implement. Our collaborate efforts are paramount to making the area of Hollywood and Las Palmas safer. Please read the bullets from the meeting and provide me feedback to ensure they are accurate.

- * Effective immediately: Jameson's Pub, Cabo Cantina, The Rusty Mullet, and Scorpion will implement a distinctive hand stamp system to identify each club.

- * The Hand Stamp System will allow each club in the general vicinity to be aware that patron(s) attempting to enter each bar, may have already been drinking at another nearby establishment.
- * Each of the aforementioned Bars will harden front door entry policy and post a security guard(s) that will evaluate the patron attempting to make entry for prior alcohol consumption.
- * Each of the aforementioned Bars will deny entry at their discretion to anyone who has been consuming unknown number of alcoholic beverages. This will prevent the potential of serving intoxicated patrons and help reduce liability for each establishment. In addition it will greatly reduce the number of intoxicated patrons bar hopping and walking back and forth and loitering on Hollywood and Las Palmas.
- * Increasing security and hiring security officers that will act responsibly and work in collaboration with their neighbors bars and the Police Department.
- * In addition each of the aforementioned establishments discussed potentially using a joint security company.
- * The use of communications (Walkie Talkies) for security and management from each establishment to communicate amongst each other to warn about potentially intoxicated or problematic patrons.

As we discussed if we can reduce the number of intoxicated people loitering and walking around the Hollywood and Las Palmas area; we will decrease the potential for violent crimes. I look forward to the implementation of these strategies and enhancing public safety in the area of Hollywood and Las Palmas. Please review this information for accuracy and advise me if I missed anything. Please do not hesitate to contact me if you have any further questions. I look forward to working with each and everyone of you to make Hollywood and safer place.

Thank you

Hello All,

If you are available I would love to have an impromptu meeting on
Tuesday 11/24/15 at 7 PM. We can meet in the police substation on
Cherokee north of Hollywood Blvd. Given the violent crimes that have
occurred in the area over the past few weeks, I feel it is critical
that we come together as group and brainstorm strategies that will
help reduce crime and make our area (Hollywood Blvd btwn Las Palmas
and Cherokee) much safer. Please let me know if you are available.

I don't expect the meeting to last more than 30 mins. I want thank you in advance for your flexibility and efforts to make our community safer.

Thank you

Lieutenant Baez,

On behalf of the Jamesons/Cabo joint team, I wanted to confirm with you that we began implementing the hand stamp at both our doors tonight as promised.

We will all continue to keep our dialogue open between venues in between Las Palmas and Cherokee, and with our partners the LAPD to help further our joint agenda of maintaining and improving the safety and business conditions of our entertainment district.

Best regards,

Tabatha, Travis, Kelly, Justin, Vinny Brett, Morgan and Michael:

I want to thank you all for taking time out of your busy schedule to make this impromptu meeting tonight. I also want to thank Dan Halden for taking the time to meet with us all. I wanted to recap our meeting this evening and ensure we move forward and implement the strategies we discussed and agreed to implement. Our collaborate efforts are paramount to making the area of Hollywood and Las Palmas safer. Please read the bullets from the meeting and provide me feedback to ensure they are accurate.

Effective immediately: Jameson's Pub, Cabo Cantina, The Rusty Mullet, and Scorpion will implement a distinctive hand stamp system to identify each club.

The Hand Stamp System will allow each club in the general vicinity to be aware that patron(s) attempting to enter each bar, may have already been drinking at another nearby establishment.

Each of the aforementioned Bars will harden front door entry policy and post a security guard(s) that will evaluate the patron attempting to make entry for prior alcohol consumption.

Each of the aforementioned Bars will deny entry at their discretion to anyone who has been consuming unknown number of alcoholic beverages. This will prevent the potential of serving intoxicated patrons and help reduce liability for each establishment. In addition it will greatly reduce the number of intoxicated patrons bar hopping and walking back and forth and loitering on Hollywood and Las Palmas.

Increasing security and hiring security officers that will act responsibly and work in collaboration with their neighbors bars and the Police Department.

In addition each of the aforementioned establishments discussed potentially using a joint security company.

The use of communications (Walkie Talkies) for security and management from each establishment to communicate amongst each other to warn about potentially intoxicated or problematic patrons.

As we discussed if we can reduce the number of intoxicated people loitering and walking around the Hollywood and Las Palmas area; we will decrease the potential for violent crimes. I look forward to the implementation of these strategies and enhancing public safety in the area of Hollywood and Las Palmas. Please review this information for accuracy and advise me if I missed anything. Please do not hesitate to contact me if you have any further questions. I look forward to working with each and everyone of you to make Hollywood and safer place.

Thank you

Lieutenant Baez,

On behalf of the Jamesons/Cabo joint team, I wanted to confirm with you that we began implementing the hand stamp at both our doors tonight as promised.

We will all continue to keep our dialogue open between venues in between Las Palmas and Cherokee, and with our partners the LAPD to help further our joint agenda of maintaining and improving the safety and business conditions of our entertainment district.

Hi Will,

I hope all is well. A couple of your agents (Bullock and Garcia) were in Hollywood tonight operating the Hollywood Hookah Lounge. I spoke with them and they advise me that Cashmere ownership was selling their ABC license and moving it to another location. I was also advised by Rusty Mullet Manager that they are selling tickets on line for a New Year's Eve Party. I know you mentioned the attorney for Cashmere had called you and advised that the Cashmere ownership was surrendering their ABC License in early November, did this ever take place?

Please give us an update on the status of their ABC License.

Thanks Will talk to you soon.

Sargent Munoz,

Order to Comply #3881358 was issued with a compliance inspection date of Nov. 16th. The violations included the metal patio cover and raised slab in the exterior rear area, the unapproved use of approximately 13 foot by 90 foot retail space to the east side of the hookah lounge, and the un-approved construction in the same area. I was told they have pulled a permit for an UN-covered patio, but no inspections.

Hi Miss Lawson,

Here is the latest Arrest Report from "Cashmere." We operated the location on Halloween night and found a bunch of Violations. Your favorite manager, Conrad Straub was presiding over the event and ended up getting arrested for the 12.29 LAMC Violation and another 347(b) PC Violation. I attached a copy of the CUP, the ABC License, a Complaint Application for Alberto Avila and Arrest Histories for both Straub and Avila. Please let me know if you need anything else.
